How to Purchase

Information here about how to purchase.

Why Choose Teamlead?

Today we address the full range of issues: technical support, licensing, localization, training, auditing, hosting and development. We do Atlassian products more accessible and help to use them more effectively.

Our company is the only Russian premium partner Atlassian (www.atlassian.com). Over 6 years, we represent the interests of the vendor in the territory of the CIS countries, as the evangelists of software products: JIRA, Confluence, Stash, Agile, Bamboo, FishEye and Crucible.
